ROZETTE / JENN BEAUPRÉ

1

Please download Skype and add me **@jennbeaupre**. Once you've done that, please send me a wave. ***I WILL CALL YOU*** at our scheduled time. If I happen to be running a minute or 2 late, I will add that time on to the end of your session.

2

Please have a secondary device in hand (such as a cell phone or tablet) so I can email/text you tracks or exercises during our session.

3

Please have headphones ready; ideally, the in-ear style headphones so you can have one earphone in (to hear me), and one earphone out (to hear yourself).
